

EMR Permission Form - Example (Add anything relevant to COVID 19 – refer to Covid 19 Safety Plan)

Dear parents, caregivers and whanau

The Mountains to Sea Conservation Trust – Experiencing Marine Reserves (EMR) programme specialises in marine education. EMR empowers schools and communities by providing hands-on experiences in the ocean. Our school/kura will be taking part in an EMR snorkel experience.

Your snorkel experience will be lead in-water by the EMR coordinator/snorkel instructor. To satisfy EMR’s ratio requirements we must provide adequate adult ‘supervisors’ with appropriate skills to buddy up and supervise the students in water. The role of ‘supervisors’ is to assist and supervise the student’s in-water and are expected to be confident swimmers, fit and healthy and free from the influence of drugs or alcohol. Refer to our health and safety information on our website

Supervision on the day:

Are you able to snorkel with the students in a supervision role on the day?

Yes No NA (not coming on the trip)

Information for supervisors can be found on our website www.emr.org.nz

Do you yourself have any illnesses or take any medication that could impact your ability or safety to snorkel?

Yes No NA (not coming on the trip)

We need as much parent help on this trip as possible so please tick one of the boxes below if you can come along on the day:

1) Yes I can come and will be providing transport.

2) Yes I can come but cannot provide transport.

For the parents that are coming out, a map is attached to show how to get there. But please be at school at so we can have a quick briefing time.

- There are wetsuits and snorkelling gear supplied for parents but we encourage you to bring your own.
- If you are not snorkelling then you will be looking after a group of children doing the onshore activities so you will also need a good pair of shoes for walking on the beach and rocks.
- If you have a digital camera bring it along. We would love to get as many photos for our projects after we come back (you do this at your risk).
