

## EMR Action Plan 2020 – For Students

### EMR action criteria

- ➔ In response to a marine issue
- ➔ Relevant to NZ
- ➔ Taking action beyond the classroom

### EMR development of Action competence – experiential learning leads to taking action!

Write down the top 5 issues that you have identified in your local area.

1)	
2)	
3)	
4)	
5)	

<b>What is the issue most important to you?</b>	<b>What is your goal or vision?</b>	<b>Who could help me achieve this?</b>
<b>What will I need to research?</b>	<b>What obstacles/problems could I face?</b>	<b>What will my action be to achieve this?</b>
